

CROSSROADS PUBLISHING OF FLORIDA

www.cpubfl.com

You have no idea how important reviews are to a new independent publisher. Vendors will not actively support books with fewer than about 50 reviews, and 5 is about the minimum most buyers will pay attention to. If you enjoy this book, or find value in it, please leave a review in the appropriate location, as follows: (you can find live links by looking at the title on cpubfl.com)

Sophisticated Dirty Schlock Poems: www.createpace.com/4564380 OR: www.amazon.com/dp/1494430886/

Please Purchase paperbacks through the CreateSpace Store, NOT Amazon.com. This makes a difference of about 20% in the author's pocket! Thank you very much. Smashwords pays a little more than Amazon as well, but the big difference there is that they produce many more formats, such as E-Pub, used by Barnes & Noble and Apple readers, and they sell through other vendors as well, so if you have an account with Barnes & Noble, Apple, Kobo, Inktera, Scribd, etc, you may purchase from them.
